Office of the R.L.A.

Section 145(1) of the Bombay District Municipal Act, 1901, requires the Municipality to take all such measures as it deems necessary for the purpose of preventing, meeting, mitigating or suppressing an outbreak of any dangerous disease. If under this section the Municipality considers that for the purpose of preventing, meeting, mitigating or suppressing the outbreak of any dangerous disease e.g. plague, cholera, it is necessary to adopt the measure of mass inoculation it would be open to it to do so. The section does not give any power to the Commissioner to direct the Municipality to take any such measure. In his opinions Nos. 6665, dated 12-9-1945 and 9714 dated 29-12-45 the R.L.A. did not intend to say that such power vested in the Commissioner under section 145(1) of the District Municipal Act.
